

Sweet Treats

15 Designs Total

Mini Collection

At every Anita Goodesign embroidery party there is a chocolate break in the afternoon. The treats vary from chocolate fountains, to cookies, brownies and candy. After doing these shows for years I've noticed that the chocolate break creates as much excitement as the embroidery projects! That was the inspiration for these luscious designs. There are 15 different 5"x7" sweet treats in this collection. Everything from a chocolate cupcake to a banana split. Each of the designs use whimsical applique fabric and are adorned with delicate flowers. For our project we embroidered these designs on an apron. These designs will look delicious on whatever you embroider them on.
