

Serenity Prayer

Full Collection

A beautiful tile scene with 4 size options.

Since we published the Lords Prayer wall collection in January our inbox has been flooded with requests for more prayers. For our newest release we chose the Serenity Prayer. This is the same layout as the Lords Prayer so if you created that one, this one will be a snap! This is a beautiful 11 block tile scene that is probably our fastest tile scene to create. The unique part of this collection is the stippling. Stippling is no easy to do free motion so we decided to add it to the designs. The tutorial will demonstrate how to create the blocks using Warm and Natural Stabilizer in your hoop for a true quilted look. There are 4 different sizes for the project.
