Baby Collection

Ahoy Mate! This nautical themed baby collection is perfect for any little boys' room! For our collection project we created a three-block wall hanging. The designs were all embroidered on high quality white cotton. All of the appliqué fabrics are seersucker, which adds a unique touch to the designs. We used denim for the borders, which ties in well with the overall design theme. For the outer edge border, we used the yellow gingham seersucker, and for a finishing touch we added two grommets and a rope for hanging the quilt. We hope you have fun and smooth sailing as you embroider this collection!
