

La Cucina

40 Designs

Full Collection

Experience the flavors of central Italy's garden groves with this old world rustic collection called "La Cucina" (the kitchen). Plump grapes, pears and apples plucked fresh from the tree and of course the lemon, an Italian staple. No self respecting Italian collection would be complete without the olive branch, the world recognized symbol of peace. Cook up your next embroidery project Italian style with the La Cucina collection.
