Mini Collection

If you love leather,
then this is the collection for you.

Our samples for this collection consists of some great pillows created with a combination of denim squares and diagonals of suede with leather and suede appliqué crosses. We used the regular applique and also the raw edge applique techniques. Leather and suede come in all kinds of fun colors and designs. These designs could even look great on a pair of jeans or jacket. So, have fun and see what kind of project you can create with these trendy cross designs.
