PROJECTS

The Zippy Bag is a fast and functional project that will have you using up your “stash” in no time! Using three coordinating fat quarters, each piece is quilted in the embroidery hoop; then you add your finished zippers and strap. These bags are quick to make and easy to grab on the go. With a variety of designs from which to choose, your choice of fabric and color will allow your creativity to shine!

Zippy Bag

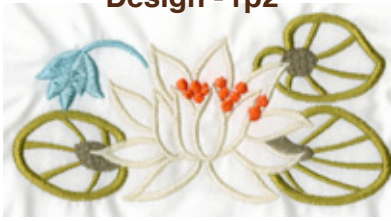

20 designs total. Includes 5 blocks, one blank block for embroidery design and 4 with stipple designs for the bag assembly. Embroidery designs are 6.5" w x 3.5" h.
