24 Designs

Sunbonnet Sue and Sam are classic designs that have been used on quilts for many generations. This is our second collection featuring these classic designs this time we created them with a Christmas theme. There are 12 different designs in this collection 6 of Sue and 6 of Sam. Each of the designs feature applique for fast stitching and come in two different sizes each. They will look beautiful on any project. We created hand towels for our project using cotton as a base and pieces of fabric and linen on the bottom.
