

Winter Friends tile Scene

10 block Tile Scene
in three sizes

Full Collection

Every year we create a new to create a large tile scene with three

We even added the echo quilting stitches that you see into the blocks so you don't have too. This collection has

10 rectangular blocks instead of the usual square blocks, this means less embroidering and sewing with the same wonderful end result! This is a 10-block tile scene that comes in three different sizes, a small size for the 5"x7" hoop a medium size for the 6"x10" hoop and a large size for the 7"x12" hoop. We include a master color list and what types of fabric you will need to complete the project. As far as tile scenes go, this one has among the least amount of blocks and uses quite a few appliques so it is not that difficult to complete. We hope you enjoy embroidering this project, it was a challenge to create but worth all of the effort as you can see!

snowman collection so we decided snowmen and all of their winter friends.
