

# Stuffed Christmas Ornaments

Full Collection

25 different designs that come in four sizes!

Add something new to your tree this Christmas with the Stuffed Ornaments collection! Five years ago we released the Stuffed Animals collection and now we revisit the concept through making stuffed ornaments. But, you also have the option to use these designs in other ways. All designs come in four different sizes for stuffed and flat ornaments, applique, and stitched so you may use these designs for multiple things. It's like having four collections in one!
