

Fantasy Floral

Full Collection

We wanted to create a floral collection that would look great on clothing, so the idea for Fantasy Floral was born. Fantasy Floral contains 15 jumbo designs that come in two sizes, 6"x10" and 5"x7". There are also 25 smaller designs that compliment the larger ones. The most exciting part about designing this collection was choosing the applique fabrics and colors. We chose all different pinks and purples for the thread colors and then chose a wide variety of applique materials. We wanted a lot of texture so we used velvet, organza, sparkle organza, silk, felt and knit. The different fabrics really made the designs pop.
