

Baseball Bears

28 Designs

We hope the Baseball Bears collection will be a home run with all our embroidery "baseball fans!" Our project for this collection is a three-block wall hanging. This wall hanging would be adorable in any little boys' room. The designs were all embroidered on polar fleece. You will create a very soft quilt when you use polar fleece for both the appliqué designs and for the background fabrics. We backed the quilt with polar fleece as well. Just think of the color combinations you could come with, even your favorite team colors!
