

# Baby Ponies

27 Designs  
Baby Collection

We embroidered the ponies using minky fabric for the appliqués. We found that by using minky fabric the ponies looked even cuter and you will find them irresistible. We embroidered all of the designs on a marble flannel fabric. For the project we created a 4 block wall hanging using the larger 6"x10" pony designs. Each block is 10" x 10" when finished (don't forget to allow for seam allowances). We then added a 1" border between each block using the spotted minky fabric and then framed all four blocks with 2" of the same spotted minky. Once we were finished we bound the wall hanging with the marble flannel. Whether you create this project or design your own, everyone is sure to love the baby ponies.
