PROJECTS

Autumn Splendor is a design pack with 16 reversible free-standing leaf designs in two sizes. This project uses a unique three-step applique technique where you can incorporate yarn, ribbon, thread, or any other texture you wish to trap, under a layer of tulle. Use an assortment of fabrics and a variety of colors to create a unique tablescape, fashion accessory, or as an embellishment. We chose to embellish a candle and table runner arrangement with our leaves. So let your creativity go crazy and incorporate these fun and colorful leaves into your next project!

AUTUMN SPLENDOR
